MEDIUM ROAST

TYPE	ORIGIN	ROAST LEVEL
100% Arabica	Yemen	Medium
100% Arabica	Ethiopia	Medium
100% Arabica	Kenya	Medium

BLEND DETAILS

This blend is a mix of 100% Arabica coffee beans from three different origins: Yemen, Ethiopia, and Kenya. The combination of these beans creates a unique flavor profile that is both bright and balanced. The Yemen beans provide a natural sweetness and a hint of citrus, while the Ethiopian beans add a complex, floral aroma. The Kenyan beans contribute a bright acidity and a clean, crisp finish. The result is a well-balanced, medium-roasted coffee that is perfect for both espresso and filter coffee.
